(ii) a city located in a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000); or

(3) Subject to subsection (d), the remainder of the tax revenue remitted by each licensed owner shall be paid to the property tax replacement fund. In each state fiscal year beginning after June 30, 2003, the treasurer of state shall make the transfer required by this subdivision not later than the last business day of the month in which the tax revenue is remitted to the state for deposit in the state gaming fund. However, if tax revenue is received by the state on the last business day in a month, the treasurer of state may transfer the tax revenue to the property tax replacement fund in the immediately following month.

(b) This subsection applies only to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter as follows:

(c) For each city and county receiving money under subsection ~~(a)(2)(A) or (a)(2)(C)~~; **(a)(2)**, the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32-10-6.
- (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio the

town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county.

Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of 2003 and each year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.

(h) This section applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (d) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the

C

total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) The budget agency shall develop a plan, which shall be reviewed by the budget committee, to do the following:

(1) Identify the build Indiana fund local projects (as defined in IC 4-30-17-4.1(e)) for which:

(A) money was appropriated in a budget bill enacted before December 31, 2001;

(B) the appropriation was not canceled in a budget bill enacted before July 1, 2004; and

(C) the appropriation has not been:

(i) reviewed by the budget committee;

(ii) allotted; or

(iii) paid out.

(2) Determine:

(A) the total dollar amount of the projects identified under subdivision (1); and

(B) a schedule under which the total dollar amount shall be distributed to the budget agency beginning in the state fiscal year beginning July 1, 2004, from the thirty-three million dollars (\$33,000,000) set aside by subsection (a)(1).

The plan required by this subsection must include provisions for including every viable project described in subdivision (1) on the budget committee agenda for review. This subsection expires June 30, 2008.

(j) The treasurer of state shall suspend the distributions required under subsection (a)(1) until all projects eligible for budget committee review under subsection (i) are included for review on the budget committee agenda and the review is completed. This subsection expires June 30, 2008.

(k) When the budget committee and the budget agency have completed the provisions for review and the review under subsections (i) and (j), the treasurer of state shall resume making distributions under subsection (a)(1). This subsection expires June 30, 2008.

(l) Money distributed to the budget agency under subsection (i) to fund local projects may be used only to fund projects for which appropriations were made before December 31, 2001. The

1 distributions are not additional appropriations for those projects.
2 The budget agency shall develop procedures for administering
3 subsection (i) in compliance with the provisions of IC 4-30-17
4 requiring budget committee review of local projects. This
5 subsection expires June 30, 2008.
